

## WONDER WOMEN

GRADE 11 pupils Surea Ngubo and Sanelisiwe Tshabalala from Umkhumbane Secondary School in Chesterville try out a science experiment yesterday as part of a Women in Science event hosted by the University of KwaZulu-Natal. UKZN hosted a webinar to celebrate their 2020 'Wonder Women in Science', who are Professor Suna Kassier, Dr Hloniphile Sithole Mthethwa, Dr Lorika Beukes, Dr Bongwiwe Mshengu, and Dr Joy Tuoyo Adu, and also visited two high schools to inspire the youth, especially girls, to take up careers in Science, Technology, Engineering and Mathematics (Stem). | **DOCTOR NGCOBO** African News Agency (ANA)
